

ANPR ALPR LPR Car Dispenser License Plate Recognition Parking System For Smart Parking Lots

Our Product Introduction

for more products please visit us on turnstilebarriers.com

Basic Information

- Place of Origin: China
- Brand Name: SEWO
- Certification: CE IS09001
- Model Number: SEWO-CP380
- Minimum Order Quantity: 1 lane
- Price: Negotiable
- Packaging Details: wooden box
- Delivery Time: 5-7 working days
- Payment Terms: T/T, Western Union, MoneyGram, L/C, D/A, D/P
- Supply Ability: 2000 sets per month

Product Specification

- Product Name: Automated Ticket Car Parking Equipment
- Communication: Base RS485. Rear TCP/IP
- Dimension: 1400*350*245mm
- Housing Material: Steel & Tempered Glass
- Housing Color: Golden, Gray
- Communication Transmission Distance: 1200m(RS485)
- Product Type: Parking System
- Product Scalability: Scalable For Large Parking Areas And Multiple Entrances/exits
- Product Accuracy: High Accuracy In License Plate Recognition
- Product Function: Automatic License Plate Recognition
- Product Efficiency: Efficient In Reducing Manual Labor And Improving Parking Management
- Product Features: Real-time Monitoring, Vehicle Tracking, Parking Management, Data Analysis, Automatic Payment

Product Description

ANPR ALPR LPR Car Dispenser License Plate Recognition Parking System Solutions For Smart Parking Lots Entrance Exit Management

Discriptions of ALPR Parking System:

ALPR is Automatic Licence Plate Recognition. Research on automatic licence plate recognition (ALPR) system involves many fields of techniques, such as data mining, computer vision, pattern recognition, artificial intelligence, automation, digital image processing and so on. The objective of automatic vehicle number plate recognition system is to accurately extract and recognize the vehicle number plate from the complicated background.

ANPR/LPR/ALPR car parking management has become mainstream now, because it has much more advantages than RFID card or manual management.

Advantage of SEWO CP380 ANPR Parking System:

- 1, The SEWO ALPR system supports licence plate types: Singapore, Malaysia, Vietnam, Thailand, Indonesia, Canada, Japan, Saudi Arabia, Chile, India, Turkey, Angela, Taiwan, Hongkong, Macao and over 100 countries and regions .
- 2, The SEWO ALPR parking equipment can operate without Internet or computer: Regular vehicle data stored in memory in advanced.
- 3, The SEWO ALPR parking equipment supports video streaming and trigger recognition: Trigger Recognition without install induction coil , and system can set the virtual coil position.
- 4, Outdoor LED Display(Optional): can display vehicle information, charging information, time and date, announcement information, parking space, etc.
5. LED fill light can automatically fill light according to scene changes to ensure vehicle passing rate.
6. The system can combine the verification mode of IC/ID card with license plate.
7. Simple, perfect, accurate and efficient.

Specifications of CP380 Smart Parking System:

Product Name	SEWO-CP380
Housing Material	Steel & Tempered glass
Housing Color	Golden
Mode of Communication	Base RS485. Rear TCP/IP
Communication Transmission Distance	1200m(RS485)
Data Transmission Speed	4800bps/100m
Offline Storage Capacity	10000pcs(Extendible)
Blacklist Capacity	1000pcs(Extendible)
Working Temperature	-30 --70
Working Conditional	Indoor / Outdoor

FAQ

1, What is the strength of your company in this industry?

Our company pays much attention to bringing and developing new technique and products since the foundation in 2003. Our brand "SEWO" has ranked among the top 10 famous brands of car parking systems and facilities in China.

2, What is the advantage products of your company?

Shenzhen Sewo Technology Ltd. is a professional high-tech enterprise, which integrates the development, manufacturing, marketing, and service of Smart Parking Management System, Flap Barrier, Tripod Turnstile, Swing Gate, Parking Guidance System, Barrier Gate, Parking Lock, Access Control Systems and other related security products.

3, How about the quality of your product?

With our exquisite technology and strict quality testing system, we passed "CE" and "ISO9001:2008" international quality assessment standards. Our company also has won many honors, such as "China Top 10 Parking Management System Supplier", "AAA grade quality, service and prestige enterprise in China", and so on. Professional R&D team has strong capacity to be committed to continuously creating high quality products and service.

4, How about some customization request?

We support OEM / ODM service, more than 20 years industry experience will bring appropriate design for you, not only products, but also a smart access management solution expert.

5, Do you have agency for after-sales service?

Any question about products, you can find our sales anytime. We will provide life-time technology support. We have established many branch offices and gained much agents at home. Our sales and service network spreads all over the world. We also have extensive sales channels in Southeast Asia, the Middle East, Africa, Europe, and America. We warmly welcome customers or agents all over the world to join us to construct an intelligent, safe, convenient and harmonious society.

6, How about the delivery time?

Regular products need 5-10 working days.

The delivery time of customized products is according to your requirement.
